Mission Statement

We the people of Saint Agnes are:

an inclusive urban community, rich in diversity of age, ethnicity, gender, orientation, culture, talent, & treasure;
a faith community, enlivened and empowered through Baptism to celebrate and proclaim the presence of Christ among us.

We declare to one and all that we commit ourselves to:

grow spiritually as disciples of Christ
to become men and women for others
build community through hospitality, ecumenism and social & cultural events
understand cultural differences and accept them as sources of enrichment
give loving service & outreach to those in need
promote social justice issues in our neighborhood and in the larger community of city, nation, and world.

We pledge ourselves to be a light in the darkness through the love that we share in the name of Christ and through the power and guidance of the Holy Spirit.

Dear Friends,

It must have been quite a shock to many of you when Father Cameron announced his intention to take a leave of absence from the Jesuits so that he could discern his own personal vocation. We are certainly grateful to him for his outstanding leadership the past six years and our prayers are with him. He was very moved and encouraged by the many signs of affirmation he received from so many parishioners when he made his announcement. If the journey of life were only so clear and obvious but you and I know it isn't. Our consolation is that the Lord is always with us and always eager to speak if we only turn to Him.

On my part, my sisters and brothers, I thank God for the people of St. Agnes and for the outstanding staff that is always there to serve you. I will do my best and I hope that I will always be eager to learn from you and to always see the Presence of Christ in you. Believe me, the Lord is very obviously present in you. Let us move together into the future confident that Christ is becoming ever more present in us. Let us reach out to one another.

Raymond Allende, S.J.
